THE Church Home for Children has been in successful operation for thirteen years, and has now reached a point when it becomes necessary to enlarge its operations, and remove from its present building.

Through the liberal offer of a Christian woman, the Managers have been able to secure for the Home a building site of one acre and a half of ground, on the West Chester and Philadelphia Railroad, with eleven acres, about two squares distant, to be held for the future endowment of the Institution.

It is the design of the Managers to begin at the earliest possible moment the erection of a suitable building, to accommodate at least 150 children. To do this they will require the sum of \$40,000, and for this they make their earnest appeal, which I heartily endorse, to the Episcopalians and others of this city and diocese, for prompt and liberal help.

May He, who styles Himself, "A Father of the fatherless," and of whom the Prophet declares, "In Thee the fatherless findeth mercy," so open your minds to perceive and your hearts to feel for the outcast and the orphan, as that your hands shall liberally give of that wealth, which God has given to you, towards objects dear to Christ, and so important to the well-being of His Holy Church.

FORM OF BEQUEST.

I give and bequeath dollars to the "CHURCH HOME FOR CHILDREN," established in the City of Philadelphia, and incorporated in the year 1857.

REPORT OF THE MANAGERS

OF THE

CHURCH HOME FOR CHILDREN.

Read to their Contributors at the Fourteenth Annual
Meeting, held February 1, 1870.

THE Managers of the Church Home for Children, herewith present their fourteenth Annual Report.

During the past year nineteen children were admitted, and nine dismissed. Present number in the Home, sixty-one.

The receipts were, \$8,000 85; expenditures, \$7,267 03; balance January 1, 1870, \$733 82, which, with the exception of that of the first year, is the largest balance that has ever been reported.

The Managers take great pleasure in publicly acknowledging a donation of \$2,000 from the Philadelphia Associates of the United States Sanitary Commission, towards the maintenance of the Soldiers' Orphans in the Home. This is held in trust for their benefit, and is only drawn upon as necessity requires.

Their thanks are justly due and are most gladly tendered to the Sewing Society of the First Unitarian Church for a large amount of sewing, and to Mr. Israel W. Morris, Jr., through whose exertions the Home has received, from unknown benefactors, a supply of coal sufficient for the winter's use. They are also indebted to the Reading Railroad Company, for the transportation of the same free of cost.

The Managers have gained several new annual subscribers, and they hope to increase the number still further during this year.

While spending some of their play hours at the Naval Asylum, the children attracted the notice of Thomas Clark, one of the beneficiaries of the Asylum, who often spoke a kind word expressive of his interest in them. The old sailor died last November, and it is found that, by his will dated in 1862, he has bequeathed all his worldly goods to the Home. The amount is \$111 in cash, and his effects. This incident is not only a touching proof of his goodness of heart, but it is also gratifying to think that the conduct of the children was such as to win his approval.

The Managers rejoice to say that through the liberality of Mrs. Ann G. Thomas, they are enabled to consider the propriety of removing and enlarging the Home. Mrs. Thomas has given them one acre and a half ($1\frac{1}{2}$) of ground, at the first station (Angora,) on the West Chester and Philadelphia Railroad for a building site, and eleven (11) acres about two squares distant, to be held for the future endowment of the Institution. This gift was accepted by the Managers after mature deliberation, and with the advice of the Bishop of the Diocese and the Board of Council. To erect suitable buildings for the accommodation of at least one hundred and fifty children, the sum of \$40,000 is needed; towards this, over \$15,000 have been already raised, and the Managers feel that their long cherished hope of placing the Home on a permanent basis will not be suffered to fail through want of means. They appeal strongly, yet confidently, for the remainder, to the zeal and charity of those who have been quick to further their work in times past, and they cannot, must not, appeal in vain.

The Managers are called upon to mourn the death of one of their number, Miss M. K. Lewis, who rendered the Home faithful and devoted service for many years, and who always had its best interests at heart. They wish to

record their full sense of what Miss Lewis was to them, their appreciation of her true worth and many virtues, and their sincere sorrow at her loss, feeling very deeply that her place cannot soon be worthily filled.

With the exception of several cases of scarlet fever, none of which proved fatal, the health of the children has been good. The Managers note with gratitude the fact that, from the first founding of the Home,—a period of fourteen years,—with an average of fifty children, no death has ever taken place; a result which they are assured is greatly due to the promptness and efficiency of the physicians in charge. Their gratuitous services are most highly valued, as are those of the dentist, whose patience never wearies, notwithstanding the frequent demands made upon his time.

By the kindness and contributions of the Board of Council, the bathing arrangements at the Home have been very much improved, and for this they deserve sincere thanks.

The Managers close their report, trusting for future success to the justness of their claim, to the continued interest of their friends, and, above all, to the goodness of God, which “endureth yet daily.”

GEORGE T. LEWIS, Treasurer Board of Council of the "Church Home for Children."
